

## NORTHERN CALIFORNIA REINED COW HORSE ASSOCIATION 2026 SPONSORSHIP OPPORTUNITIES

The Northern California Reined Cow Horse Association (**NCRCHA**) is a dedicated 501C3 nonprofit organization run by volunteers. We were founded in 2000 by a dedicated group of cow horse enthusiasts in Red Bluff, CA. The group shared and continues to share a mission to foster a supportive and competitive environment for both youth and adult exhibitors. Through the commitment of our volunteers and sponsors NCRCHA has become a cornerstone of the reined cow horse community in Northern California.

As a proud affiliate of the National Reined Cow Horse Association (**NRCHA**), our events attract exhibitors from across California, Oregon, and Nevada. We are committed to showcasing local talent, utilizing local venues, and providing opportunities for our community to be involved.

### Why Sponsor **NCRCHA**?

We are seeking sponsorships for the 2026 show season to help sustain and expand our programs, including:

- **Awards Program:** Recognizing the dedication and success of our competitors.
- **Show Experience:** Prioritizing the quality of footing, cattle and judges.
- **Clinics:** Offering valuable learning opportunities for exhibitors, especially youth and newcomers to the sport.
- **Youth Specialty Classes:** Our **Little-Big** classes give our youngest exhibitors a safe place to shine!
- **Ranch Horse Super Sundays:** Providing quality ranch shows for exhibitors.

Your sponsorship will play a critical role in the continued success and growth of **NCRCHA** events, while also providing your brand with visibility in front of a dedicated and passionate audience of riders, trainers, and equine enthusiasts.

Join us in supporting **NCRCHA** to keep cow horse and ranch horse action thriving in Northern California!

With Warm Regards,
